# BEER GIN

During the CV-19 lockdowns, like many others we found ourselves with surplus beer in the cold store. As part of our continuing drive to reduce waste, we decided on a little experiment... We started working with a distillery to turn our surplus beer into gin! Our available gins this week include some classic flavour profiles and others offering something a little different. Enjoy!

## BEER GIN #009

70CL • 43% ABV

Nearly 10 gins later, here we are with a strawberry delight. A summertime staple with subtle sweet strawberry and citrus notes, balanced with peppery juniper.

## BEER GIN #007

70CL • 42% ABV

We're dreaming of summer with this one. Fruity, summer berries give a wonderful balance to the floral earthy base of juniper, liquorice, angelica and coriander.

## BEER GIN #008

70CL • 40% ABV

A zesty mix of orange peel, grapefruit and lime for a fresh and fragrant gin. A medley of citrus fruits and a touch of fiery sichuan pepper make this gin a wonderful match for a classic tonic.

## BEER GIN #006

70CL • 44% ABV

A classic-style gin with a fresh, zesty finish. With a floral botanical base, this gin has all the hallmarks of a classic. We've built on the recipe with the addition of citrus peel and hibiscus, giving a lively fragrant finish.
